

PUBLIC INFORMATION MEETING

Rehabilitation of Herring Cove / Route 6 Intersection Area Cape Cod National Seashore

The National Park Service and the Federal Highway Administration are beginning to prepare improvement plans for the intersection of the Herring Cove / Route 6 Intersection Area. The Eastern Federal Lands Highway Division, of the Federal Highway Administration, is preparing preliminary alternatives in cooperation with Cape Cod National Seashore to provide guidance in determining appropriate actions needed to perform the repairs, reconstruction, and upgrades identified in the FY 2004 Federal Lands Highway Program. The Park is currently seeking any public input on the current condition of and possible reconstruction/reconfiguration of the intersection.

Public Information Meeting:

Tuesday, June 22, 2004

6:30 p.m. – 8:30 p.m.

In the Provincetown Town Hall in Provincetown, MA

Public Review: The National Park Service considers public involvement to be an important component to a successful planning process and we invite you to furnish written comments to the address below:

**Mike Murray, Acting Superintendent
Cape Cod National Seashore
99 Marconi Station Site Road
Wellfleet, MA 02667**

If you have any additional questions concerning this announcement, please contact Mr. Nicholas Finch, Eastern Federal Lands Highway Division, 21400 Ridgeway Circle, Sterling, VA 20166, or at 1-800-892-8776, ext. 1548.

Please have all comments returned to either Ms. Murray or Mr. Finch, no later than the 22nd of July 2004.

**Federal Highway Administration
Eastern Federal Lands Highway Division
Project: PRA-CACO 18(1)**
